## NEW DIGITAL OFFER FOR WALKS IN JELGAVA MUNICIPALITY MANOR PARKS

As outdoor walks are becoming increasingly popular, the Tours Across Baltics mobile app has created four digital tours – in the manor parks of **ELEJA, LIELPLATONE AND VILCE, AS WELL AS IN THE NATURE PARK VILCE.**

Using the app, in the Jelgava Municipality Manor and Nature Park section, you can choose a specific manor tour and go on educational walks, exploring both the history and the natural objects, learning about the stories, facts and legends related to them. To use this feature, you must have the Tours Across Baltics app installed on your mobile device.

Challenge your friends or take part in an organised disc golf competition! Disc golf is an outdoor sport in which the player must throw a special flying disc into a special basket.
